Oriol Calí

Frontend developer · React and TypeScript

oriolcalicab@gmail.com · Barcelona · github.com/oriolcalicab · linkedin.com/in/oriol-calí

Profile

Junior frontend developer with official web development training and a specialisation in React and TypeScript. I come from more than 20 years in industrial settings, working with demanding processes, responsibility and attention to detail. I learn fast and I am looking for my first opportunity as a developer in a team.

Skills

Frontend: React, TypeScript, JavaScript, HTML, CSS / SCSS, Tailwind CSS, React Router, Vite
Backend (entry level): Node.js, Express, Prisma, PostgreSQL, Firebase Authentication
Testing: Vitest, Testing Library, Gherkin
Tools: Git, GitHub, Gitflow, Trello, ESLint, Prettier, WordPress

Projects

Pastisseria La Vall React, TypeScript, Tailwind CSS, Express, Prisma, PostgreSQL, Firebase, Vitest
Full stack web app (in progress): public product catalogue with pagination, role-protected admin panel and its own REST API, with tests on frontend and backend.

Digital services budget generator React, TypeScript, Tailwind CSS, React Router, Vitest
Dynamic pricing based on the chosen services, history with search and filters, and budgets shareable by URL.

ITAlumni HTML, CSS, TypeScript, localStorage
Networking and jobs portal: multi-page site with real-time job search, filters and user sign-up, following Gitflow.

Movies platform TypeScript
Interactive platform for exploring, rating and managing favourite movies.
